Design Experience

Annalise Ogle Design

Graphic Designer

Boston, MA *March 2011–Present*

Designing a wide range of materials for independent clients. Projects have included print design, identity design, web design, web development, and photography. Clients have included Boston's Freedom Trail Foundation, Northeastern University, and the Allston-Brighton Substance Abuse Task Force, among others.

Northeastern University Visual Resources Center

Visual Resources Assistant

Boston, MA *January 2008–December 2011*

Scanned and edited digital images with Adobe Photoshop, cataloged metadata for the Art and Architecture image database using FileMaker Pro, assisted Art and Architecture faculty members with hardware/software training, designed departmental forms and flyers, assisted with curation of the annual Art + Design Student Show.

Metropolis Creative

Graphic Designer

Boston, MA *July–December 2010*

Designed websites and print materials, created sketches and wireframes as part of the design process, managed multiple projects, coded HTML/CSS/PHP/jQuery websites, themed and developed websites in WordPress, worked as part of a cohesive team.

Ronn Campisi Design

Design Assistant

Wellesley, MA *July–December 2009*

Assisted in all aspects of the design of publications. Designed page layouts for magazines and interactive PDFs with Adobe InDesign, completed type corrections, prepared art for prepress, selected photos, created diagrams with Adobe Illustrator and InDesign, and made photography assignments with FileMaker Pro.
